Pavimentazione capostrada in conglomerato bituminoso

The main drawing is a detailed urban plan showing the proposed road layout. The road is highlighted in orange, indicating the areas for pavement work. The plan includes various landmarks such as the Teatro Mediterraneo, the Zoo, and the Stadium. The road is labeled 'Viale Giochi del Mediterraneo'. The drawing also includes two cross-sections, D-D and E-E, which show the road profile and the proposed pavement structure. The cross-section D-D shows a 17.00m wide section, and the cross-section E-E shows a 2.90m wide section. The road is shown passing through the city of Naples, with various streets and buildings visible. The drawing is a technical plan, showing the layout of the road and the proposed pavement work.
